About This Game

The best-selling Comanche series returns with this fast-paced action game that places you at the controls of a Comanche RAH-66 helicopter. In 6 single player campaigns and multiplayer, the game combines serious firepower with effortless controls and stunning, interactive terrain.

Features

- **NON-STOP ASSAULT** — Blast away at tanks, jets, aircraft carriers, helicopters, missile-launching troops and more.
- **UNLEASH THE POWER** — Shoot Hellfire and Stinger missiles, rockets and a 20mm cannon.
- **AIRBORNE IN MINUTES** — Quickly master flying and fighting using the keyboard & mouse, or for the sim fan, joystick, throttle & pedal controls.

-
- **STUNNING INTERACTIVE TERRAIN** — Immerse yourself in detailed environments with rotor wash, shadows, terrain scarring and spectacular explosions.
 - **6 EXTREME CAMPAIGNS** — Fly across urban, forest, arctic, desert and sea environments while you protect diplomats, support Delta Force, subdue renegade forces, attack warships and more.

You fly around, you shoot anything that moves, and you have a first-person option. 10/10. I've played previous versions in my youth...LOVED IT THEN LOVE IT STILL.....one of the best flight sims ever up there with the falcon series...glad to have it back time to break out the old Microsoft force feedback 2 and splash some bogies
